PRIMESTONE TECHNICAL CO LLC

2025

Built to Last. Crafted with Precision.

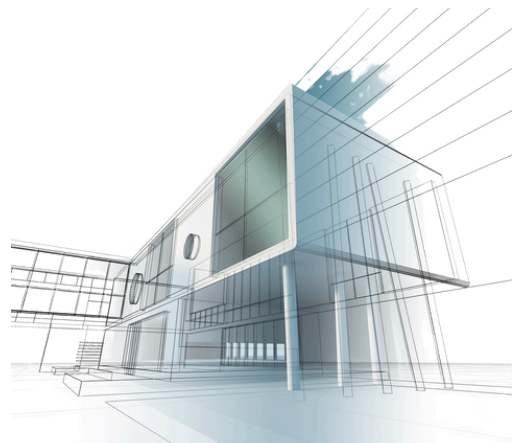

About Company

Founded in 2025, Primestone Technical Co. L.L.C is the newest yet highly specialized addition to the Prime Group of Company. We focus on delivering premium-quality flooring, plastering, and tiling works for commercial, hospitality, and residential sectors across the UAE.

Though recently established, Primestone is powered by a team of skilled professionals with years of collective experience in technical services. Our company was created to meet the growing demand for high-end interior finishing, offering a blend of traditional craftsmanship and modern techniques.

We believe that precision is the foundation of lasting beauty and structural integrity. Whether it's wood flooring for a luxury suite or seamless plaster finishes in high-traffic buildings, we work with integrity, care, and attention to every detail.

Welcome Message

We may be a young company, but our mindset is mature. We understand the dynamics of today's construction environment and the importance of coordination, quality control, and fast turnarounds. Our team brings that knowledge and energy to every project we accept.

We look forward to becoming a trusted name in the UAE construction industry and earning our place through performance and professionalism.

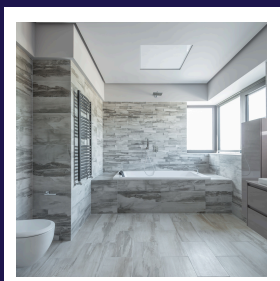

At Primestone, we see every project as an opportunity to create something timeless. Our mission is to be recognized not just for finishing works, but for finishing well — with care, consistency, and a clear commitment to our client's vision.

CEO

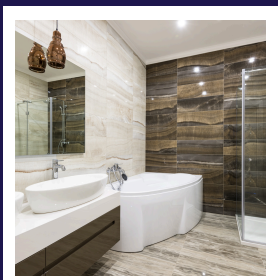

Our Services

Floor & Wall Tiling Works

Expert installation of ceramic, porcelain, marble, and stone tiles for both indoor and outdoor spaces.

Plaster Works

Smooth and durable plastering services for walls and ceilings, ready for painting or decorative finishes.

Carpentry & Wood Flooring Works

Custom woodwork and flooring installation for residential, commercial, and luxury interiors.

Our Notable Projects

Our experience includes successful delivery in both private and contractor-led developments:

Legoland Hotel – Dubai Parks

Premium wood flooring and plaster finishes across luxury guest rooms and public areas in a globally recognized hospitality project.
